What better book and what better way to "sample" the world ...By LindaThis was for a student who mentioned to me that she wanted to travel when she graduated high school. What better book and what better way to "sample" the world than 1,000 Places? I've had this book for years, I put little post-its on the pages of places I go, checking them off. I wonder if I'll hit them all??? Okay, probably not. Still it's a great goal, and I hope I passed onto her the love of travel.1 of 1 people found the following review helpful. ... takes you all

over the world to explore the greatest places to go. I just used the book this past October when we visited Budapest and Prague. Without the book, we would have missed Gebraud's in Budapest, one of the most lovely coffee houses I have ever had chance to experience. 4 of 5 people found the following review helpful. The must-have for general life-long travelers

By R. Patel
The book finally does the job for people like me, who are life-long world travelers, and for people who are armchair travelers as well. Let's face it, there are a ton of internet resources out there, travel magazines, blogs, word-of-mouth and "lists" about destinations. But almost all of the time, these serve who really know where they want to go. Patricia Schultz manages to serve those of us who are fanatical about seeing as much of the world as possible before we kick the bucket. In 1200 pages, you do get coverage of traveler staples ranging from Bangkok to Rio to Paris, where you get more details about different neighborhoods and attractions, but what I really wanted was inspiration beyond those main destinations. 1,000 places includes cities and towns, natural wonders and even experiences (i.e. Dining in Marrakech, the Sapporo Snow Festival or Trekking Gorillas in Rwanda), which breaks things up from being too monotonous. I love how general every item is - the Pyramids of Egypt get as much space as the Oregon Shakespeare Festival, and that is the beauty of it! Sure, there is usually a small blurb where appropriate about best times to visit, accomodation averages, and sometimes hotel and restaurant recommendations, but most of it ends up being 1,000 persuasive arguments for my next destination. Months later, I am still working my way through. The print paperback is indeed heavy, but it is the type of book I read while checked out from everything else, and I as I prepare my lengthy lifetime travel lists, this book ends up being the starting point for researching new travel ideas in more detail.

The worlds bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it tells you whats beautiful, whats fun, and whats just unforgettable everywhere on earth. And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that dont compromise on atmosphere or charm. The world is calling. Time to answer.

At last, a book that tells you what's beautiful, what's fun and what's just unforgettable everywhere on earth. Newsweek The perennial guide to iconic travel destination.... We read the entire book, stopping to gasp, comment and bookmark several pages along the way. The Huffington Post [1,000 Places to See Before You Die] has joined the canon of classic reference tomes that earn periodic updates and cozy homes on the bookshelf next to the thesaurus. It is sure to land under many trees this year. TIME.com Globe-trotters and vicarious adventure-seekers alike will find this full revamp of a world travelers bible even more informative and inspiring than before. Entertainment Weekly Schultz has given her iconic guide a complete makeover. With 500 new photographs, 200 new entries and 28 new countries, the second edition is more informative, budget-conscious and user-friendly. BookPage Its a big world out there, which makes it hard to decide on a vacation destination. The Internet can seem just as vast when it comes time to research. Thats why Patricia Schultzs 1,000 Places to See Before You Die deserves a place on your bookshelf. A great inspiration tool that includes both the obvious and the less so. The Washington Post She [Schultz] has managed to work a little literary magic here and still keep her original 1,000 favorite places by reorganizing and rewriting the content of the first edition. As always, her entries are irresistibly idiosyncratic, from Beer in Belgium to The Last Supper and Other Works of Leonardo Da Vinci. Chicago Tribune The names of authors who have sold millions of travel guidebooks are widely known: Fodor. Frommer. Steves. Oh, and don't forget Schultz. You know, Patricia Schultz. Still not familiar? Her signature title surely is: 1,000 Places to See Before You Die. [She is] the travel expert who launched legions of bucket lists back in 2003 (before we even knew what a bucket list was). San Jose Mercury News Whether theyre outdoor adventures or simply armchair travelers, readers on your holiday list will enjoy 1,000 Places to See Before You Die. Informative, clear and accessible. Ventura County Star Patricia Schultzs classic bucket list book of travel musts have been updated, and the second edition has full color, revised information and about 200 new entries. Its fun to peruse when putting together your travel wish list. Chicago Sun Times 1,000 Places to See Before You Die...should set anybodys imagination soaring. It is a book to browse under the Snuggie on a long winter night and daydream with. Delaware Star News For travelers who think theyve seen it all, surely theres a place you havent visited in this newly revised classic bestseller. Pittsburgh Post Gazette
