By T.C. What a great book. I am coming up with a plan to do a driving trip of the U.S.A. and am using this book as my guide to

figure out where to go. Organized by state it highlights the top places you should have on your list and does so well with some pictures as well. The descriptions are just the right amount to inform you and let you decide what to visit but not too much. A definite must for travelling the U.S.A.
