International Travel maps : 1. Kuwait and Kuwait City Travel Reference Map 1:390K/1:15K (International Travel Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 1. Kuwait and Kuwait City Travel Reference Map 1:390K/1:15K (International Travel Maps):

0 of 0 people found the following review helpful. Decent map
By Mark
Decent map, but a lot of roads in the desert areas are missing or not accurately drawn
0 of 0 people found the following review helpful. it does not have the entire Kuwait map on it ...
By Meseret
it does not have the entire Kuwait map on it. It only shows some part of the top part of kuwait map.
2 of 3 people found the following review helpful. Good map of the country
By James D. Crabtree
I use this map frequently. The details are quite good but I have a few very minor issues. First, the detailed map of Kuwait City does not cover the entire city, rather it only extends out from the center of the city to the 4th Ring Road. While this DOES include 90% of the main attractions of the city (Kuwaiti Towers, the National Museum, Liberation Tower, Seif Palace, Hard Rock Cafe, etc.) it does NOT include the U.S. Embassy and other landmarks like Avenues Mall. The map also shows a proposed metro (which does not exist) and does not properly number the highways. Still, once you get used to it the map is quite useful for Kuwait.

A road map of the Kuwait Emirat. The best way to prepare your trip, to plan your itinerary, and to travel independently. Inset map of Kuwait City.

About the Author
I am pleased to see another important country in the Middle Eastern region mapped. Kuwait's strategic importance cannot be overstated. Its business potential is enormous, and its giant airport rivals Dubai for customers. Touristically, the attraction is Kuwait City itself, with its parks and beaches that is attracting resort hotels and visitors. Combined with our maps of Qatar, Saudi Arabia, UAE/Oman, and Yemen, the Arabian peninsula is becoming pretty well mapped. Printed on paper, one sided
