**Kev Reynolds : 100 Hut Walks in the Alps (Cicerone Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Hut Walks in the Alps (Cicerone Guides):

1 of 2 people found the following review helpful. Excellent againBy R. T. ThomsonKev Reynolds and Cicerone can be relied on to do a thorough job.Hiking guidebooks require meticulous attention to detail, and this book appears to have it fully sorted.1 of 2 people found the following review helpful. Hut to Hut in Swiss AlpsBy Knit-wit, San Jose, Ca.100 Hut Walks in the Alps, Kev Reynolds is the "Gold Standard" for his writings on anything involving Hiking and

the Swiss Alps.9 of 16 people found the following review helpful. Very well organized guideBy RES JrBought this in anticipation of some hut to hut hiking in Switzerland this summer. I've only browsed it, since it's not the kind of book you read cover to cover, but it appears to be very well organized and useful as a reference....exactly what I was looking for.

This book describes just 100 walks out of the many thousands possible in the Alps, with carefully chosen mountain huts providing the focus for each walk. With a geographical span that ranges from the Maritime Alps of southern France to the Julians of Slovenia, the routes include Italy's Gran Paradiso, various regions of Austria, the Bernese Oberland and the bizarre towers of the Dolomites of South Tirol. Three new routes and huts in this new edition provide a better balance to the collection. Each day-walk and its associated mountain hut has been especially selected to show the amazing diversity of this wonderful mountain chain. There are walks to suit every taste: gentle and undemanding, long and tough, and everything in between. While most can be tackled in a day, some may require an overnight stay in the hut, and some suggestions are made for multi-day tours.

About the AuthorKev Reynolds is a freelance writer, photojournalist and lecturer. A prolific compiler of guidebooks, his first title for Cicerone Press appeared in 1978; he has since produced 27 titles for Cicerone, with others being researched. A member of the Outdoor Writers' Guild, the Alpine Club and Austrian Alpine Club, his passion for mountains and the countryside remains undiminished, and he regularly travels throughout Britain to share that enthusiasm through his lectures.
