It has adventures from the easily accessible to the very-hard-to-do. You might see some of the adventures you've already done in here, but you'll more likely find a whole slew of new ideas! Great book.0 of 0 people found the following review helpful. Five StarsBy alexInformative and exciting0 of 0 people found the following review helpful. Awesome book to inspire your next adventureBy BlueSkiesPurchased this book as a gift for a family that loves to travel. I now want to buy one for myself. I always love Lonely Planet books, and this one delivers. Great summaries of many great places/things to do in the world. It is a great resource to 'inspire' and plan that next trip.Arrived right on time and in great condition. Would recommend!
