Heather McCoy : 1001 Easy French Phrases (Dover Language Guides French) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1001 Easy French Phrases (Dover Language Guides French):

7 of 7 people found the following review helpful. Really great for traveling/ refreshing my FrenchBy Vivian L.I

haven't spoken French in 10 years, so when I learned that I was going to visit southern France last year, I panicked. Would I know what to say? Did I forget all my French? I am sure I would get by, but it would be nice to remember some phrases and refresh my memory on some useful vocabulary, so I found and bought this book. It was so useful! I did not read it from cover to cover, but just skimming it and studying certain sections really helped improve my French. By the time I was in France, I could speak in whole sentences, ask questions to get around, and respond back in French! It's a small, light book that is easy to put in my backpack and carry around. 8 of 8 people found the following review helpful. A winner! By Edie W Since 's prices are so good, I bought three different French/English phrase books for an upcoming trip to France, and this is the one that fits the bill for content, set-up and just plain ease of finding what I might want to say at the appropriate time. 1 of 1 people found the following review helpful. I rated this book three stars due to the fact ... By petitchinois I rated this book three stars due to the fact that there aren't as many phrases available. There're all surviving phrases and you will do okay if you master the content. To really improve your french you need more than that.

The perfect companion for tourists and business travelers in France and other places where the French language is spoken, this book offers fast, effective communication. More than 1,000 basic words, phrases, and sentences cover everything from asking directions and renting a car to ordering dinner and finding a bank. Designed as a quick reference tool and an easy study guide, this inexpensive and easy-to-use book offers completely up-to-date terms for modern telecommunications, idioms, and slang. The contents are arranged for quick access to phrases related to greetings, transportation, shopping, services, medical and emergency situations, and other essential items. A handy phonetic pronunciation guide accompanies each phrase.
