Pablo Garcia Loeza : 1001 Easy Spanish Phrases (Dover Language Guides) (Dover Language Guides Spanish) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1001 Easy Spanish Phrases (Dover Language Guides) (Dover Language Guides Spanish):

5 of 5 people found the following review helpful. Excellent transliteration of Spanish pronunciation. By Michael Sudholt I started learning Spanish a few years ago at the age of 60. I have been using this book for only a few days. This book has excellent representations of not only the sounds used in Spanish, but also how to accent words and phrases. This book has plenty of useful and usable phrases to expand vocabulary and build confidence. The organization makes finding what you want very easy without overwhelming the student. It also gives different phrases for different Spanish-speaking countries so the reader can target his focus if desired. I was very pleasantly surprised at how up-to-date the book is. I don't need to flirt, because I'm married, but the section on flirting and dating was far more complete than I expected. The format is larger than pocket phrase books, but that makes it easier to read and more relaxing and comfortable to use. The phrases are easy to find and use because they are not crammed together. 1 of 1 people found the following review helpful. An excellent learning tool. A bargain find. By MCS Shopper As an "advanced beginner" learning Spanish, I use this little book a lot. It's remarkably useful. At first, phrases can just be memorized without paying attention to verb tenses and sentence structure. Then as you learn more you start to recognize those things. Even the bare-bones verb chart and mini grammar section provide a good jump start and then, later, a good quick reference for review. 0 of 0 people found the following review helpful. useful. By Jim R. Short, concise, useful.

The perfect companion for tourists and business travelers in Spain and Latin America, this book offers fast, effective communication. Over 1,000 basic words, phrases, and sentences cover everything from asking directions to making reservations and ordering dinner. Designed as a quick reference tool and an easy study guide, this inexpensive and easy-to-use book offers completely up-to-date terms for modern telecommunications, idioms, and slang. Its contents are arranged for quick access to phrases related to greetings, transportation, shopping, services, medical and emergency situations, and other common circumstances. A phonetic pronunciation guide accompanies each phrase.
