Great resource!By RM BrownA great resource for anyone traveling to Barbados. I purchased it in preparation for my 4th trip there and found it to contain lots of great nuggets of information. Even my friend who has been to Barbados dozens of times over the years was impressed with this little book. Great to have the inside track from someone who lived there!3 of 3 people found the following review helpful. One StarBy Marionthis is not a book, it's just a little pamphlet
