This book is a really neat gift for someone who might be planning a honeymoon, or even as a wedding gift for anniversary trip ideas. There's not a lot of information on each destination, but it gives you enough to get you intrigued to look more or to cross off your list. I love how the destinations are broken up into categories like "Cosmopolitan, Adventure, Exotic, Luxurious..." My fiance and I have already planned our honeymoon, but this book is now our go-to for each year's vacation!

I got this as a little gift to my fiance, and she loved it! It is short and cute, much more of a momento than an actual travel guide or anything, but a cute gift nonetheless.

By Melissa R Meschke
This book was helpful as my husband and I were trying to determine where we wanted to go on our honeymoon. Lots of great ideas for all budgets which was great! We will be hanging on to it even though we already went on vacation just so we can have more ideas!

What comes to mind when someone says "honeymoon"? Niagara Falls? Well, that's just one of the 101 top destinations covered in this handy pocket guide to the best places in the world to celebrate your marriage! Themed chapters include Cosmopolitan, Adventure, Luxurious, Exotic, Cruise, Celebrity, Classic (where you'll find Niagara Falls!), and Island Beachfront. Each destination details: The Big Picture; Special Places to Stay; and Top Romantic Pastimes. 192 pages. Portable size: 4-1/4 inches wide x 5-3/4 inches high; fits in your back pocket. Concealed wire-o binding. Book lies flat for ease of use. Elastic band attached to back cover keeps your place or keeps book closed. "A great bridal shower gift." --Coastal Living
