1 of 1 people found the following review helpful. 12,000 miles by Land RoverBy Carol A. BrayI have searched high and low for the book for a long time. Finally found it. I met 2 of the children when I was a student at PBI in 1966. It's a wonderful story!! The journey took a lot longer than I first thought and the roads were unbelievable. Didn't know that there were countries that would give you a visa at their border. Amazed too at all the missionaries they met along the way. God was certainly had His hand on this family as they traveled the 12,000 miles.
