**U.S. Government : 2006 Country Profile and Guide to Yemen: National Travel Guidebook and Handbook--Trade and Business, War on Terrorism, Attack on the USS Cole, Horn of Africa Task Force, USAID (Two CD-ROM Set)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2006 Country Profile and Guide to Yemen: National Travel Guidebook and Handbook--Trade and Business, War on Terrorism, Attack on the USS Cole, Horn of Africa Task Force, USAID (Two CD-ROM Set):

Completely updated and revised for this new edition, our unique electronic book on two CD-ROMs has an amazing collection of the finest federal documents and resources about Yemen, providing encyclopedic coverage of all aspects of the country. This disc set provides a truly fantastic reference source, with over one hundred thousand pages reproduced in Adobe Acrobat format! There is complete coverage of newsworthy material about Yemen, including

trade and doing business, USAID in Yemen, the War on Terror, MEFTA, MEPI, the terrorist attack on the USS Cole, the Horn of Africa Task Force, U.S. Food for Education Program. This incredible and comprehensive series on the countries of the world contains material from the State Department, Department of Defense, White House, and cabinet agencies including Agriculture, Energy, and the U.S. Citizenship and Immigration Services. There is complete information about geography, people, government, the economy, communications, transportation, military, and transnational issues. In addition to the nation-specific material, as a bonus we have included reports about every country on the globe, with 271 nations, dependent areas, and other entities identified by the Central Intelligence Agency. The CIA World Factbook is considered an invaluable "world encyclopedia" reference book. This incredible two CD-ROM set is packed with over 127,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems. The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and material. Our news and educational discs are privately compiled collections of official public domain U.S. government files and documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly reference work, utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly reviewed, searched by finding specific words, or printed without untold hours of tedious research and downloading. Vast archives of important public domain government information that might otherwise remain inaccessible are available for instant review no matter where you are. This book-on-a-disc format makes a great reference work and educational tool. There is no other reference that is as fast, convenient, comprehensive, thoroughly researched, and portable - everything you need to know, from the federal sources you trust.
