Collins Maps : 2016 Collins Essential Road Atlas Europe before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2016 Collins Essential Road Atlas Europe:

0 of 0 people found the following review helpful. Disappointing lack of detail and quality of presentation By ckm Having used this atlas on a 4400 km, 3 week trip around central Europe I was disappointed with the Collins atlas. I liked its size and a few features like the country factfile of default speed limits on the inside cover (but was baffled by the almost illegible mileage table in Cyrillic and another language on the inside front cover!) The maps were far too stingy in their detail, in many cases lacking many town names even when there was room available and in others text

too crowded to readily decipher. Mapmaking requires a skill and sense of the art of communication and this atlas fell short. It was less useful than a set of three regional maps available for free with my membership in a major automobile association. 0 of 0 people found the following review helpful. Five Stars By Nina M. Munsis a great atlas to work with. very prompt service.

This is an up-to-date A4 spiral bound road atlas of Europe containing clear, detailed road mapping, perfect for touring the Mediterranean, Iberian peninsula, Scandinavia, and many other European tourist destinations. Scale of main maps 1:1,000,000 (1 cm to 10 km / 1 inch to 16 miles). Clear, easy-to-follow road maps at a scale of 1:1,000,000. Euroroutes and motorways are easily distinguished on the mapping. The maps also show international road classifications, road distances in kilometers, and relief is shown by attractive layer tints. Included are route planning maps, over 100 scenic routes, toll motorways, guide to international road signs, driving advice, useful internet links, route maps of 64 major cities, street plans of 16 major cities, locator diagrams on each page to help you navigate, more detailed road maps extending from Amsterdam to Munich, making route following easier through this densely populated area, and the top 25 European destinations as recommended on Tripadvisor. Mapping extends from the North Cape (Norway) to Gibraltar and from Ireland to east of Moscow. Also includes Iceland and Cyprus.

About the Author Collins Maps are among the most popular in the world, particularly for families and school use, and allow readers to explore the world through accurate and up-to-date mapping.
