Collins Maps : 2016 Collins Map of France 1:1.1M before purchasing it in order to gage whether or not it would be

worth my time, and all praised 2016 Collins Map of France 1:1.1M:

New edition of annually revised, politically colored road map of France at 18 miles to 1 inch / 11km to 1cm (1:1,120,000). The map shows individual department by name, and cities, towns, roads, European route numbers, motorways, and toll motorways are clearly shown, making it the ideal map for planning and route-finding. The map shows the road network in detail for easy route planning. With its political coloring of departments, it is ideal for reference and business users also. This map covers the whole of France from the Belgian and German borders in the north to the Spanish border in the south, and from the Brest Peninsula in the west to the Italian and Swiss borders in the east. Also includes the island of Corsica. This map has been fully revised and updated for 2016; has clear, detailed road networks; has through-route maps of Paris, Lyon, Marseille, Strasbourg, and Toulouse; has a distance chart giving distances in kilometers between main towns; includes a key to department names and numbers, and list of regions; lists internet links to further information; has a full Index to place names; and features a map legend in English, French, and German.

About the Author Collins Maps are among the most popular in the world, particularly for families and school use, and allow readers to explore the world through accurate and up-to-date mapping.
