By David Casker
Perfect pocket calendar for my purposes! Clear plastic cover prevents it from becoming frayed. I like it that Christian, Jewish and Muslim holy days are marked, because I have friends in all of those faiths. Several "Notes" pages let me add the local bus schedule. Typical contacts pages are there, too. I'm quite pleased.

By Marie Brack
Excellent small calendar for pocket or purse. Notice that at this price it doesn't come with a plastic cover. I reused last year's cover.

Just what I was looking for. Days have ample room to write in appointments, etc.. Small enough to fit in my purse or pocket. I love it.

Imagine yourself relaxing on the warm beach with this two-year tropical beaches pocket calendar. Warm sand, deep blue water, seashells and a sailboat will await your arrival all year long. (Warning: side effects include daydreaming.) The calendar starts in January 2017 and takes you through December 2018. Encased in a protective plastic covering, this is the perfect compact planner. All calendar pages are printed on FSC certified paper and use environmentally safe inks.
