It's The Best For Daily Planning Usage By HMA The only reason I didn't give it 5 stars is because I really 2016 better because of the inspirational/motivational quotes it had. This one doesn't but other than that, it's AWESOME! A large ruled space to write for every single day of the year including a full one page calendar WITH an additional NOTES section for each week that is very very handy. TF Publishing is the BEST in my book. 1 of 1 people found the following review helpful. This planner is great for tracking daily events By James D.
