**John Freidin : 25 Bicycle Tours in Vermont** before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Bicycle Tours in Vermont:

Scenic routes for everyone, great directions descriptions By Pete Coffin (hmkt37a@prodigy.com) I read this book during the winter and couldn't wait for Spring to get going. You're in the saddle from the first tour to the last. I have ridden on two of the tours, one in North Hero and one in Stowe area, and

the rides were déjà vu...perfect directions and perfect suggestions. The simple route maps are outstanding. I'll be out there again this year with my dog-eared copy of 25 rides in Vermont keeping me company. I highly recommended this book to any serious or seriously casual rider.

This new series highlights low-traffic scenic roads, both dirt and paved, suitable for riding on both mountain and road bikes.
