**Peter Kick : 25 Mountain Bike Tours in New Jersey (25 Bicycle Tours)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Mountain Bike Tours in New Jersey (25 Bicycle Tours):

In the Garden State, whose official policy encourages bicycling and whose governor owns a mountain bike there has

been no guidebook to mountain bike trails. Peter Kick's authoritative volume fills that gap. The 25 carefully created tours range from 2 to 28 miles in length from family outings to slamming, dirt-eating single tracks. Included with each are up-to-date maps and regulation information, surface conditions, trail highlights, nearby bike repair shops, and detailed, mile-by-mile directions along the best trails around.
