Peter Kick : 25 Mountain Bike Tours in the Hudson Valley: A Backcountry Guide (25 Bicycle Tours) before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Mountain Bike Tours in the Hudson Valley: A Backcountry Guide (25 Bicycle Tours):

0 of 0 people found the following review helpful. Great guideBy Roseann DeLeoson-in-law loved the book! Very helpful!0 of 0 people found the following review helpful. Good for beginnersBy Galen B SeerupIf you want to ride back roads it's ok but for single track not happening. Don't need s mountain bike to ride these trails

This updated guide covers a wide selection of mountain biking routes along the Hudson River. Few areas have more to offer the mountain biker than the Hudson Valley, with its scenic beauty, intriguing history, and abundance of trails, organizations, and facilities created expressly for fat tire devotees. Kick's selection of 25 tours is as diverse as their settings. They range from Lake George to Yonkers, from family outings to challenging peak climbs, from rail trails to canal towpaths to heritage bikeways. Each tour description includes complete directions, a comprehensive map, a list of bike shops nearby, and a wealth of details about the land and cityscapes. Written with sensitivity to the Hudson Valley's tradition of outdoor stewardship, 25 Mountain Bike Tours in the Hudson Valley will tell you how and where to get the most from your mountain bike all closer to home than you may think. 26 maps, appendix.
