When it comes to skiing and winter sports, Europe has more than its fair share of amazing resorts. From the greatly priced, to the more than reasonable, Europe has it all, and has so much to offer any skier. If youve never been to Europe on a skiing holiday, or if youre looking to expand your experience, youll find something that catches your eye without too much research, and you might just end up joining the legions of skiing fans that wouldnt go anywhere else in the world for their vacation. On mainland Europe, you have such a varied selection. From the world famous French skiing resorts to Austria, Switzerland and the tiny principality of Andorra, youve got such a wide range of skiing to choose from. France is known the world over as the true home of skiing, and the French really know how to do a quality vacation. With naturally amazing resources, and scenery that can take your breath away, France is an ideal location for a skiing trip. Why not try the Courchevel resort, which has four different ski resorts within one, providing the perfect blend of quality and affordability in a skiing trip. From the grossly overpriced 1850 resort, the playground of Europes film stars and playboys, to the seemingly remote 1350 at the bottom of the hill, you have so much to choose from in Europes finest skiing country. With the kids or with your friends, France is truly a destination that will make for a memorable skiing vacation. If you want to enjoy ultimate ski vacations, then grab this handbook now!
