**Living Language : 30 Days to Great Italian** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 30 Days to Great Italian:

1 of 1 people found the following review helpful. One of my fav's for learning ItalianBy K. DantzerI've bought several books to learn Italian over the last year or so and while I don't believe any one book will make you fluent, or even close, this one makes a great effort. It's a fun read, with lots of great info, what I find most useful is the little insights they give you into slang, the natural ways people speak and life in Italy. The scenarios are humorous, which makes them fun to read and there's plenty of exercises, examples and great explanations for grammar. The accompanying CD is full of dialogue that is slow enough for a beginner to follow, and if they can't, there are transcriptions. I highly recommend this book as a supplement to self learning. You definitely want to pick up something that focuses more on grammar, and get perhaps a dictionary/flashcards for vocab, but this is a great tool for learning more natural speech, and getting explanations for some things that perhaps other books drop the ball on.0 of 0 people found the following review helpful. This is a wonderful text for the beginner ( which I amBy Patricia E.

Natale This is a wonderful text for the beginner ( which I am!). It is clearly written, illustrated in humorous ways so that the learner finds it a bit easier to recall some of the verb declension details which at this point seem to escape memory. 0 of 0 people found the following review helpful. Great Starting Point By Stan57 Quick and easy way to get the basics if you have a trip or something coming up. It won't make you fluent, however it will give you the basics--greeting people, shopping, obtaining lodging, etc.

30 Days to Great Italian is a simple and fun course that will enhance your language skills in just weeks! Straightforward and effective teaching methods help students understand and speak Italian. Using a simple approach to grammar, 30 Days to Great Italian teaches what's really useful without nit-picking or employing technical jargon. The package includes a book and an audio CD, maps, cultural tips, and links to internet sites.
