Nick Wood : 360 London: The Greatest Sites of the World's Greatest City in 360 before purchasing it in order to gage whether or not it would be worth my time, and all praised 360 London: The Greatest Sites of the World's Greatest City in 360:

2 of 2 people found the following review helpful. 360 London Reviewed.By Steve GourleyThis was a very beautiful book that demonstrates the beauty of London. After visiting London we identified other places that we would have enjoyed visiting while there. After reviewing this book we ordered one for our daughter and her family the accompanied us on our trip. I would recommend this book to anyone going to London to review before the travel.0 of 0 people found the following review helpful. Bought this because it says good on the description despite being pre-ownedBy holly1130Wanted a book to remind me of my recent trip to London. Bought this because it says good on the description despite being pre-owned. A little disappointed because it had stickers all over and even a dedication from someone:(0 of 0 people found the following review helpful. loveBy Judy MichonBeautiful pictures, I am so glad I own this book now.

These specially commissioned 360 photos put you at the center of the action, with panoramic views of London's greatest landmarks, from the iconic Houses of Parliament to Soho's nightlife to bustling Smithfield's Market and more. Skyline images contain annotations to guide you, and each all-encompassing picture is enhanced with a helpful array of fascinating details, providing the ultimate insider's look at London.

About the AuthorNick Wood has had a camera in his hand for more than 20 years. Based at his studio inClapham, London, he shoots for clients in a large variety of images from large-format landscapes and architecture to portraits of

people in their workplace. His fascination with 360 photography inspired this collection of images.
