Patricia Schultz : 365 Days in Italy Picture-A-Day Wall Calendar 2017 before purchasing it in order to gage
whether or not it would be worth my time, and all praised 365 Days in Italy Picture-A-Day Wall Calendar 2017:

3 of 3 people found the following review helpful. Wonderful calendarBy J. EllenI ordered this calendar after my first
(and hopefully not last!) trip to Italy in 2012. It now seems to have become an annual tradition for me to order this.
I've visited a lot of the places but many I've never heard of. It's just nice to relive and to dream of a future visit. I hang
this in my kitchen as a decorating piece. If you want it to write appts, there's plenty of room for that, too. The photos
are assembled beautifully, and there are rarely repeats. (Seriously though, how can you not want to look at the Duomo
in Florence again?) I recommend this calendar for a little taste of Italy in your life. :)3 of 3 people found the following
review helpful. So many beautiful pictures!By Geek AmbrosiaVery pretty! It's nice having 30-ish pictures to look at
every month. They are smaller photos, of course, but still beautiful easy to see the details. I will probably buy more of
these calendars in the future. I like having a couple different ones in the house, in different rooms. These calendars are
perfect for that. I like the variety.1 of 1 people found the following review helpful. Beautiful calendar that helps me
relive Italy every dayBy LEGOCI have been getting these calendars for the past 5 years and love them. It's nice and

large with beautiful photos. Each month is a focus on a particular place in Italy and each day has a beautiful photo and a description of where it was taken. It is a beautiful calendar that helps me relive Italy every day.

Every day, discover another reason to love Italy, the country that draws more repeat visitors than any other. The bestselling calendar with 1.2 million copies sold, *365 DAYS IN ITALY* is like a yearlong tour with Patricia Schultz author of the phenomenally successful *1,000 Places to See Before You Die* series as your expert guide. Get lost in the charms of a dozen diverse, history-rich regions. The gondolas, weathered facades, and labyrinthine streetscape of Venice. Friuli, from the sandy beaches of the Adriatic coast to snow-capped mountains and medieval cities. And the iconic and always spellbinding images of Tuscany: fields of sunflowers, cypress-lined lanes, fruit trees and vineyards as far as the eye can see. With hundreds of photographs by Steven Rothfeld and Patricia Schultz's detailed text, this is a tribute to the spirit and singular beauty of Italy.

About the Author Patricia Schultz is the author of the #1 New York Times bestsellers *1,000 Places to See Before You Die* and *1,000 Places to See in the United States and Canada Before You Die*. A veteran travel journalist with 30 years of experience, she has written for guides such as *Frommers* and *Berlitz* and periodicals including *The Wall Street Journal* and *Travel Weekly*, where she is a contributing editor.
