Bob Martin : 49 Ways to Make a Living in Colombia before purchasing it in order to gauge whether or not it would be worth my time, and all praised 49 Ways to Make a Living in Colombia:

Are you living in Colombia? Maybe you are an expat, a foreigner, living there and you need a way to make some income. Did you know that you can make a living without a job? In the 21st Century it is very possible to make money

in ways which don't require you to get a job! My name is Bob Martin. I am an American, but have lived in a number of countries as an expat. I make a good living and I have not had a job for many years! You can do it too, and I will show you how! My book, 49 Ways to Make a Living Without a Job will show you 49 different ways that you can do what I do - make a living without getting tied down by a job! My previous edition of this book was called "49 Ways to Make a Living in the Philippines" because I have lived in the Philippines for many years. Many people who read the book told me that it was not about making a living in the Philippines. They all said that it could be used to make a living anywhere in the world! They encouraged me to change it up a bit for the next edition, so I did! I updated all of my ideas, I took out references specifically to the Philippines and made the book completely applicable to a world where people need to make a living, and can do it in non-traditional ways! Start making a good living today, without having to answer to anybody but yourself! You can do it! I know for sure you can, because it is what I have been doing for years! Get all of my secrets when you read the book!

About the Author Bob Martin is an American, but has been living as an expat since 2000. Bob is a Serial Entrepreneur. He starts new kinds of businesses on an ongoing basis. Bob is a big believer in what he calls Streams of Income. Instead of having a single job or business to earn money, Bob believes that it is much wiser to have many small streams of income. By doing that, if one stream dries up, it has little effect on the overall river of income that is created by the streams, because there are still many small streams feeding the river. That one stream of income that dried up is only a small part of the overall picture, so the river will still supply your needs. Bob has written many books, mostly on the topics of Amateur Radio, Living the Expat Life, and Business topics.
