**Jason Sumner : 75 Classic Rides Colorado: The Best Road Biking Routes** before purchasing it in order to gage whether or not it would be worth my time, and all praised 75 Classic Rides Colorado: The Best Road Biking Routes:

1 of 1 people found the following review helpful. AWESOME cycling guideBy Sarah HeathAWESOME cycling guide! Each ride is super descriptive and easy to follow. The maps and turn-by-turn directions are really helpful for areas that you might not be familiar with. Even after living in Boulder CO for the past 8 years, this book has opened my eyes to even more fabulous routes and variations of rides in my region. You can tell the author has a true love for the sport and each ride has been perfectly described and meticulously selected. I did the "Coal Mine - Oak Creek" ride in Steamboat and literally felt like I had done it before just from reading the book! There is also a nice variety of rides for each region, which makes it easy to decide on one depending on how you are feeling. Over all awesome guideIll be waiting for a mountain biking version to come out some day :)1 of 1 people found the following review helpful. The

guide was excellent, with just about everything very clearly described and ...By B. Seidell just returned from a Colorado road cycling trip and used this guide for about a dozen rides in the northwest quadrant of the state. The guide was excellent, with just about everything very clearly described and routed, and even the directions to pre-ride parking were quite helpful. The maps provided just the right amount of detail. Based on my experience with this guide, I've already gone ahead and have purchased another in Sumner's "75 Classic Rides" series.0 of 0 people found the following review helpful. I was hoping for at least a few easy ones.By George SandEvery ride is far too hard for me! Maybe someday. I was hoping for at least a few easy ones.

**\*\*CLICK HERE to download a free EPIC sample from 75 Classic Rides: Colorado\*\*** Includes rides ranging from easy to epic Features rides within easy distance from population centers, plus 2 multiple-day trips and 1 cross-state tour Free, downloadable turn-by-turn cue sheets for each ride Jason Sumner was on his way to becoming a pro sports reporter when he happened to cover a bike race. It changed his life. He writes, Becoming a cyclist meant exploring my home state in ways I never had before. Fifteen years and thousands of miles later, I get to share what I discovered with you. This guide is intended for cyclists from novice to expert. Its accessible, friendly, and fun, highlighting less-driven back roads, scenic views, epic mountain-pass challenges, and ambling routes. Each ride includes the following information: Difficulty level Distance Average Time to complete Elevation Gain High Point Best Season to ride Maps/Info on land managers for reference Directions to start of route Description of ride: nature of the ride, sights along the way, best places for food/refueling, and more Variations/Alternate Route details Full map of route Elevation profile Photo

About the Author Colorado native and avid cyclist Jason Sumner has been writing about two-wheeled pursuits of all kinds since 1999. Hes covered the Tour de France, the Olympic Games, and dozens of other international cycling events. He also likes to throw himself into the fray, penning first-person accounts of cycling adventures in British Columbia, Belgium, Brazil, Costa Rica, France, Peru, and of course, Colorado, to name a few. Sumner regularly contributes to a variety of cycling titles. He is the features editor for RoadBike .com and Mtbr. com, and the author of Bicycling: 1,100 All Time Best Tips. Hes also a marginally talented amateur bike racer, and once rode 220 miles in one day to celebrate a friends fiftieth birthday.
