**Edward A. Martin : A Biographical Encyclopedia of Medical Travel Authors: Australia, New Zealand, South Africa, the Pacific and the Antarctic** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Biographical Encyclopedia of Medical Travel Authors: Australia, New Zealand, South Africa, the Pacific and the Antarctic:

The collection is a wide-ranging reference guide. The six volumes are made up of one-paragraph biographies of medical travel authors drawn from all peoples and regions of the world. The authors are included because they have published a book of travel or have left significant material of book potential. Some space is given to travellers from abroad into the region represented by the volume.
