Activinotes : A Boy's Road of Memories! A Boy's Travel Journal before purchasing it in order to gage whether or not it would be worth my time, and all praised A Boy's Road of Memories! A Boy's Travel Journal:

When a boy travels, he does not only see the world on his own eyes; rather, each place creates an impression in his mind. So encourage him to write. Encourage him to experience everything the world has to offer. Writing will also boost his spelling and vocabulary skills for a much improved ability to express with words. Encourage him to write
