LaMorteThis book truly captures all the old neopolitan traditions and proverbs that my family associates with since both my parents were born in Italy and are now gone, so this book contains all the sayings that I grew up with. It's a real treasure.2 of 2 people found the following review helpful. A Wonderful Collection of Proverbs!By b.This collection of Neapolitan proverbs is one of the most comprehensive I've ever seen. Although both Latin and Italian proverbs are popular, the Neapolitans have probably some of the most comprehensive, funny and wise sayings of any people in the world. The author of this book has found an immense collection and, with the help of erudite Neapolitans, has translated them into standard Italian as well as into English. Well worth the purchase for anyone who loves Naples, Italian sayings or just loves a little bit of

wisdom to ponder.

Neapolitan (Napulitano), a Romance language derived from Latin, is spoken by upwards of 7,000,000 persons in and around Naples and the greater Campania region of southern Italy, as well as by members all around the world of the southern Italian diaspora. This "A Buon 'Ntennitore . Proverbs of Naples" offers a generous selection of the most widely recognized proverbs in the Napulitano language. In it, one will find wit and wisdom for nearly every occasion, circumstance, and station. In Napulitano (Neapolitan) language with Italian and English translations.
