Diana Preston : A Captain's First Rate Tragedy: Captain Scott's Antarctic Expeditions before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Captain's First Rate Tragedy: Captain Scott's Antarctic Expeditions:

The great tragedy that befell the Scott team could have been averted if they could have trudged just 11 more miles. The Norwegian Trygve Gran found their frozen bodies close to the food depot. Diana Preston's story recounts the dramatic events. '

About the Author Diana Preston is an Oxford-trained historian, broadcaster and author of several books. She lives in London.
