**James C. Clark : A Concise History of Florida (Brief History)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Concise History of Florida (Brief History):

4 of 4 people found the following review helpful. I have lived in Florida for more than 45 years ...By Gary A FiedlerI have lived in Florida for more than 45 years, yet I really knew very little the state's history. This book briefly provides information on a number of topics such as: - Settling Florida - The states Indian, Spanish, French and British history - The Civil War and Reconstruction - The history of Tourism - Immigration - Colleges - Politics - Hurricanes - Modern

Florida and more. Now, whenever I drive through or visit parts of the state, I see and imagine my surroundings in historical settings as described by the book. Names, buildings, locations and institutions that I had passed by for years have now become more interesting because I know a little more about them. 1 of 1 people found the following review helpful. I got this for my husband and he loves it ...By Anna V. Boone I got this for my husband and he loves it. As a native Floridian, I wish this book was widely read. Disney World, the beaches and perhaps NASA is basically all newcomers know of a state that has a rich history and many fascinating points of interest. 2 of 2 people found the following review helpful. Great Read By James Bradin Great book on Florida history. Most people do not know much about it since most Floridians are from somewhere else.

In 1513, Spanish explorer Ponce de Leon first set foot on Florida's east coast. The land he discovered was a geographic anomaly so distinctive that astronaut Neil Armstrong said Florida was the first shape on earth he recognized on his return from a visit to the moon 456 years later. This unique state witnessed momentous events from the 1959 arrival of the first Cuban exiles under Fidel Castro to the 1981 launch of the "Columbia," the first space shuttle. Join author and historian James C. Clark as he chronicles the history of the Sunshine State in this concise and captivating history.

About the Author James C. Clark is a lecturer at the University of Central Florida, where he has taught since 1987. He has become one of Florida's leading historians, and the author of ten books. His work has been honored by the Florida Historical Society, the Florida Society of Newspaper Editors and the Florida Magazine Association. He lives in Orlando, Florida.
