B. Hoppin : A Diary Kept While With the Peary Arctic Expedition of 1896 (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Diary Kept While With the Peary Arctic Expedition of 1896 (Classic Reprint):

Excerpt from A Diary Kept While With the Peary Arctic Expedition of 1896
The baggage of the party from Cornell University was in Sydney, stored in a building on Harrington's wharf, and the party itself came soon afterwards. Professor Tarr was in charge, Professor Gill, assistant, and students Mr. Watson, Mr. Kindle, Mr. Martin and Mr. Bonesteel. The School of Technology of Boston was represented by Professor Alfred Burton, Prof. George Barton and Mr. Russell W. Porter; besides these were Mr. Phillips, of Harvard University, and Mr. Dodge of New Hampshire. The chief officers of the Expedition were Lieut. R. E. Peary, U. S. N. commanding, and Captain John Bartlett, of Brigus, Newfoundland, in command of the steamer Hope. Mr. Operti, an artist of New York, also accompanied the Expedition, and Mr. M. A. Hansen, of the American Museum of Natural History, Central Park, New York, a colored gentleman of African connections who had been to the Arctic Regions twice before with Lieut. Peary, and Mr. Hugh J. Lee of, Meriden, Ct., who had been with Lieut. Peary before. From Baddeck, Cape Breton, Nova Scotia, came Mr. Alexander H. Sutherland; Mr. George Hollifield, of Halifax; and Mr. Benjamin Hoppin, of New Haven, Conn. The Expedition had interest taken in it by the American Museum, Museum of Natural History, New York, Central Park, 77th St. and 8th avenue, and was aided by Mr. Morris K. Jessup, President of the Museum. The elections had just passed in Canada, the parties had met in an interesting manner. The Sydney time could be found at Sydney. There was a heavy rain on one of the first days of the week, but fair weather had set in. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
