Eric Henze : A Family Guide to the Grand Circle National Parks: Covering Zion, Bryce Canyon, Capitol Reef, Canyonlands, Arches, Mesa Verde, Grand Canyon (Second Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Family Guide to the Grand Circle National Parks: Covering Zion,

Bryce Canyon, Capitol Reef, Canyonlands, Arches, Mesa Verde, Grand Canyon (Second Edition):

3 of 3 people found the following review helpful. Perfect Title -- Excellent Family Trip Guide to Grand CircleBy The Good GatsbyGreat guidebook to the Grand Circle! Last year I had borrowed the prior Kindle edition as a Prime member and loved it. I recently purchased this fresh edition of the printed book to take on our trip that this guidebook helped inspire us to do. We won't be RVing and so skipped over that chapter -- but the balance of the book has great, well-written info. This new edition has more detail about the parks, particularly with regard to hiking options. Love the entertaining, sometimes moving and often self-deprecating vignettes that accompany each chapter (e.g., Love you Dad...Can I have the iPad?). Kudos and thanks to Mr. Henze and family!2 of 2 people found the following review helpful. I very light fun read. I find a lot of these books ...By Rae FerrellI very light fun read. I find a lot of these books can be tedious and can make my eyes bleed, but this is not only very informative but it is written in a fun, easy to read format.0 of 0 people found the following review helpful. Five StarsBy Roamin' RamonaJust what i needed for the loop trip.

A Family Guide to the Grand Circle National Parks was the top selling travel guide for the Southwest since it came out last year. The reason is simple: the guide describes a complete vacation of the Southwest in one book. Within it are detailed descriptions to help in planning your vacation, covering every major national park in the Southwest, seven parks in all, including Zion, Bryce, Arches and the Grand Canyon. That said, we at Gone Beyond Guides couldn't stop there, we wanted to keep making the guide better. With that, this second edition contains everything the first edition had, but also includes detailed maps of all seven parks as well as updated information, more hikes, more things to do, and simply more of everything to help make your vacation a great one! The Grand Circle is an area of remarkable majesty, holding the largest concentration of national parks in the United States. The lands within it contain the very definition of the American Southwest. There are few family vacations as incredible as a journey within the Grand Circle. This book is for everyone and includes additional tips for families with children. A Family Guide to the Grand Circle National Parks takes you through seven national parks, including Zion, Bryce Canyon, Capitol Reef, Canyonlands, Arches, Mesa Verde and Grand Canyon National Parks. Each park is diverse, but when seen together, they create a once in a lifetime escape. A Family Guide to the Grand Circle National Parks includes rich details of where to stay, what to do, where to go, plus park maps, history and geology. The book also contains sections on visiting Las Vegas with children, help on deciding whether to do the trip in an RV, plus rich stories of humor and reflection.

"A Family Guide to the Grand Circle National Parks is a fun, easy read and excellent guide for anyone wanting to tour the Southwest USA, good guide book with or without an RV." "Loved it! --- Rich P. We were planning a trip to three of the parks, but after picking up A Family Guide.. we added on two others. Really helpful information and definitely helped us plan out a better vacation.. and the stories were a welcome plus! I want to do this trip again!" - Tanya and Trevor L. "What a fresh approach to travel guides, I actually read it cover to cover!" - Ernest D. "I absolutely love it!!! The pictures are beautiful and to be honest, what he wrote actually made me cry at one point. We all get so caught up with TV, Facebook, gadgets, etc that we forget to live our lives and enjoy what God has truly given us. It makes me want to change my life completely." --- Heather S. this trip again!" - Tanya and Trevor L. "What a fresh approach to travel guides, I actually read it cover to cover!" - Ernest D. "I absolutely love it!!! The pictures are beautiful and to be honest, what he wrote actually made me cry at one point.
