David Mills : A Fine Chaos: Three Years Renovating a Castle in Chile before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Fine Chaos: Three Years Renovating a Castle in Chile:

"A Fine Chaos" details the three years it took to purchase and renovate Castillo Verde. It describes the trials and tribulations encountered working through Chilean bureaucracy to obtain the necessary rights to own the property and

its sources of water, and then the long struggle to restore the castle and its surrounding gardens to their former glory. Join us as we learn about Chile, its people, culture, customs and history. Meet our new Chilean friends, and see through their eyes the renewed confidence and hope that is driving one of the most successful economic and cultural rebirths in South America. And experience first-hand how living in a foreign country can change your life. Much more than a travel book or house renovation documentary, "A Fine Chaos" provides insight, fact and opinion on a country and a continent about which much of the world knows very little.
