Must have if you're planning a Biblical sites tour  
By Debra Johnson  
Planned my trip with this book; it was comprehensive. Glad that it stated whether there was anything there to be seen (ruins, museum) because there isn't always things to see today from cities long ago.  
0 of 0 people found the following review helpful. Five Stars  
By Jim Johnson  
very good book on the sites and culture

Nearly two-thirds of the New Testament--including all of the letters of Paul, most of the book of Acts, and the book of Revelation--is set outside of Israel, in either Turkey or Greece. Although biblically-oriented tours of the areas that were once ancient Greece and Asia Minor have become increasingly popular, up until now there has been no definitive guidebook for these important sites. In *A Guide to Biblical Sites in Greece and Turkey*, two well-known, well-traveled biblical scholars offer a fascinating historical and archaeological guide to these sites. The authors reveal countless new insights into the biblical text while reliably guiding the traveler through every significant location mentioned in the Bible. The book completely traces the journeys of the Apostle Paul across Turkey (ancient Asia Minor), Greece, Cyprus, and all the islands of the Mediterranean. A description of the location and history of each site is given, followed by an intriguing discussion of its biblical significance. Clearly written and in non-technical language, the work links the latest in biblical research with recent archaeological findings. A visit to the site is described, complete with easy-to-follow walking directions, indicating the major items of archaeological interest. Detailed site maps, historical charts, and maps of the regions are integrated into the text, and a glossary of terms is provided. Easy to use and abundantly illustrated, this unique guide will help visitors to Greece, Turkey, and Cyprus to appreciate the rich history, significance, and great wonder of the ancient world of the Bible.

To be recommended for its detailed and accurate instructions for visiting the sites. \* International of Biblical Studies  
\*About the Author  
Clyde E. Fant is Professor Emeritus of Religious Studies at Stetson University and author of *The Misunderstood Jesus: 10 Lost Keys to Life*. Mitchell G. Reddish is O. Lafayette Walker Professor of Christian Studies and Chair of the Department of Religious Studies at Stetson University, and author of *Revelation*.
