Leslie J. Hoppe : A Guide to the Lands of the Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to the Lands of the Bible:

1 of 1 people found the following review helpful. All you need to know in one resource
By John Kosinski
My wife and I made a pilgrimage to the Israel recently to visit the Christiansites in Bethlehem, Jerusalem and the Galilee. Professor Hoppe's book helpedus to prepare for the trip. As an experienced Holy Land travel guide, his book providedreadable information of the right length on the Christian, Jewish and Moslem sites, butalso practical strategies for negotiating

the various needs a traveler/pilgrim may have. His emphasis on knowing the basics of the contemporary political and religious environment was also very relevant. I would recommend this book to anyone planning a pilgrimage there.

Tourism to Israel is at an all-time high among Christians, the primary reason being a renewed interest in the Bible. This in turn has led to an increase of tourism to other sites that have biblical connections. In *A Guide to the Lands of the Bible*, Leslie Hoppe, O.F.M., provides a handbook to assist all those planning a visit to the lands of the Bible.

"This is an extraordinary fusion of religious, historical, cultural, archaeological, and practical information. It is a must for the modern pilgrim."
