From Krieger Pub Co : A History of Colonial Brazil, 1500-1792 With Map Insert by Bailey W. Diffie (1987-08-03) before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of Colonial Brazil, 1500-1792 With Map Insert by Bailey W. Diffie (1987-08-03):

1 of 1 people found the following review helpful. Beautifully researched and insightfulBy GEORGE D WINIUSBailey Diffie was my friend and collaborator on a book about the early Portuguese empire published in 1976 by Minnesota. He had barely finished this book in draft when he died of a stroke. He was much loved by everybody who knew him, and so his colleagues in Brazilian history finished the notes, smoothed out the prose and published it for him, though with little fanfare. Every Brazilianist should own it.
