**Marty Basch : Above the Circle** before purchasing it in order to gage whether or not it would be worth my time, and all praised Above the Circle:

10 of 11 people found the following review helpful. Chatty little tale about the Scandanavian peopleBy Tropical FloridaI was looking to experience the Artic Circle on a bicycle without leaving the comforts of my home. "Into Thin Air" is a perfect example of the potential of a true adventure. Instead I found the author mostly interested in describing a few of the travelers (many not from the Artic) he encountered. I would have loved to learn more about the actual

cycling, the topography, culture and peoples of this stark and brutal land. Lots of potential not fully realized in this book. 3 of 7 people found the following review helpful. Arctic bicycling at its best! By A Customer  
Whoever thought anyone would ride a bicycle in the Arctic? Basch is a gifted writer and rider. He's the funniest guy on two wheels.

"The Arctic Circle can be a very warm place when experienced by bicycle. Join Marty Basch, author of *Against the Wind*, as he pedals among the reindeer near the top of the world..."
