Phil Jaffe : Across the Arctic before purchasing it in order to gauge whether or not it would be worth my time, and all praised Across the Arctic:

This is the story of recent activity in the Arctic, along with the history of the U.S. Coast Guard ships that have made their way across the Top of the World through the Northwest Passage. Written by a member of the crew of the U.S. Coast Guard Icebreaker NORTHWIND, during its historic 1954 journey to be the first ship to navigate the Northwest Passage.
