**ADC the Map People :** ADC The Map People Metro Atlanta, Georgia (American Map Regional Atlas: Metro Atlanta) before purchasing it in order to gage whether or not it would be worth my time, and all praised ADC The Map People Metro Atlanta, Georgia (American Map Regional Atlas: Metro Atlanta):

4 of 4 people found the following review helpful. map book review/ Atlanta, Ga.By Bruce W. Turner Sr.I drive a semi in the southeast and needed a new map book of Atlanta Ga.. This book is up to date with great detail. The only problem why did they print in on 9 x 11 paper? The pages are small and hard to read, other map books use a larger format.If it was larger print I would rate it a 5, but due to the small size a 3.....My Jax and Miami books have less detail but a lot easier to see.....

Large scale atlas with street level detail showing Zip Codes, block numbers, schools, hospitals, points of interest,

shopping centers, airports, parks and much more. Fully indexed. Includes the city of Atlanta and the counties of Fulton, Dekalb, Cobb and more.
