another readerI was very disappointed after purchasing this street map book. Apparently majority of Montgomery County isn't considered Metro Washington, DC. Don't expect to see any streets north of Bethesda - Whiteflint, Rockville, etc. are all missing. This definitely isn't a map street finder for someone living in the MD suburbs

Handy pocket sized atlas with street level detail, showing ZIP Codes, block numbers, schools, hospitals, points of interest, shopping centers, airports, parks and more. Fully indexed. Includes Falls Church, Silver Spring and the city of Alexandria.
