I ordered this to replace an older version of this book due to new streets/housing developments in the city. I use this for work and find it quicker and easier to use than a GPS.0 of 0 people found the following review helpful. GREAT BOOKBy Medford GreenI had been looking for a replacement for this book for many many years and even though I now have navigator on my adriod. I am very pleased to have my city map book again. I drive a school bus in Philly. Thank U.
