## Handbook: A Worldwide Cycling Route Planning Guide:

0 of 0 people found the following review helpful. great cycling bookBy Lawrence J. Morgangreat book to add to your collection. Fascinating reading even if you dont go on a tour7 of 7 people found the following review helpful. Excellent resourceBy meyers66This is a great book. The 3 sections allow riders to learn about adventure travel according to the mood they are in. I used the bike recommendations to buy the Volpe. Great purchase. Warning: this book will encourage you to travel. Wish list: a web site like crazyguyonabike.com so readers can keep abreast of updates. Cheers Lord. Nice job.1 of 1 people found the following review helpful. Adventure Cycle-Touring HandbookBy cnjlawThis book provides detail information for long distance cycling. It is well written and entertaining.
