Peter and Beverly Pickford : African Safari: Into the Great Game Reserves before purchasing it in order to gage whether or not it would be worth my time, and all praised African Safari: Into the Great Game Reserves:

An African safari is arguably one of the most alluring and easily understood dreams of our time. Just the thought of an African safari evokes thoughts of adventure, a journey through nature's greatest spectacle, a glimpse of the earth before man. African Safari is an exploration of all that the word safari encompasses, from journeys on horseback and dugout canoes, the quiet drifting of a balloon and the tension of waiting on foot to the smell of dung, soil and the rain. African Safari is an intimate odyssey through the great wilderness of Africa and an eye on its wild denizens, spiced with the echoes of a romantic history. African Safari is divided into eight chapters: South Africa (Kruger the Kgalagadi)Namibia (Etosha, Damaraland and Kaokaland)Botswana (Okavango, Chobe, and Linyanti)Zimbabwe (Mana Pools and the Zambezi) Zambia (North and South Luangwa)Tanzania (Ngorongoro and the Serengeti)Kenya

(Masai Mara, Amboseli, and Tsavo) Rwanda Uganda (Parc des Volcans and Mgahinga).
