From Faber Music : After Hours On My Travels for Piano Solo (Faber Edition: After Hours) before purchasing it in order to gauge whether or not it would be worth my time, and all praised After Hours On My Travels for Piano Solo (Faber Edition: After Hours):

Alarm clocks, barking dogs, telephones, meetings, and rush hour . . . the hustle and bustle of life. What better way to relax than to sit down at the piano, chill out, and indulge yourself with music from Pam Wedgwood's After Hours: On My Travels. Inspired by the places and people Pam has met on her travels, these evocative pieces for the advanced

player (Grades 6-8) provide the perfect antidote to stress.
