1 of 1 people found the following review helpful. No everybody is perfect By Roy Daniels Many of these scoundrels have been forgotten. They were the characters of their time and their stories are interesting. They include an American

Vice President and some that were just plain mean. 1 of 1 people found the following review helpful. Fascinating Tales! While legislators were writing the first laws in Alabama, some miscreant citizens were already breaking them, causing disorder and fleeing the hands of justice. Among these were cult-leader-turned-murderer "Bloody" Bob Sims, social-activist-turned-anarchist Albert Parsons, the mysterious hobo bandit Railroad Bill and the nefarious outlaw sheriff Steve Renfroe, who was credited with countless prison escapes, thefts and arson. Legendary Wild West figures Frank and Jesse James also appeared in Alabama, along with numerous other well-known gunslingers, pirates, crooks and desperados. Bushwhackers caused widespread chaos during the Civil War and were considered outlaws depending on which side you supported. Join real-life partners in crime Kelly Kazek and Wil Elrick as they recount the atrocities of some of Alabama's most infamous lawbreakers.
