Bought it because the radio said not to.3 of 4 people found the following review helpful. So what if the title isn't grammatically correct?By MG McAnick After Jimmie Fallon knocked the title one night, I knew I needed to read it. Interesting older book. Well described. I had no idea it was partly set in an Alaskan town where one of my best long term friends used to live. She'd never heard of the book, but will read it next.83 of 91 people found the following review helpful. AMAZING!!!!By Susan Avallon This book literally changed my life. It goes into depth about Alaska and what it used to was. I had no idea about the culture and how different it used to was. It used to was so different. I really reflected on our society and how we need to change. We need to be what we used to was. We need to stop hating and love each other. We need to drive cleaner cars. We can change the world, we can save it from ourselves, we can be...as we used to was...
