**Bernard R Rosenberg : Alaska Fishing on a Budget: A First-Timer's Guide to Organizing and Planning an Economy Salmon Fishing Trip to the Last Frontier** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaska Fishing on a Budget: A First-Timer's Guide to Organizing and Planning an

## Economy Salmon Fishing Trip to the Last Frontier:

8 of 9 people found the following review helpful. A must for those dreaming of fishing Alaska  
By Bryan Newman  
This book is a must for anyone planning their first self-guided trip or to anyone who dreams about fishing Alaska. This book will definitely get you from just dreaming to making solid plans. When I read this book I was amazed at how closely the authors first trips resembled mine. We both made the same mistakes, but luckily, I didn't come home with a freezer full of chum salmon. Amazingly, we also came to almost all the same solutions to the problems we encountered. Truly, if you are planning your first trip to Alaska and if you are going to do it yourself, get this book and learn from our mistakes. I'm sure that each year, there are hundreds of people who repeat the same mistakes we made. Twelve dollars here can teach you as much as several thousand-dollar trips taught me.  
0 of 0 people found the following review helpful. Old but somewhat valid  
By Philip L. Ladeau  
It is okay but it is 13 years old so there have been a lot of changes since this book was written. Still, there is some useful information.  
0 of 0 people found the following review helpful. Easy to read and great descriptions  
By Julie S.  
Was very helpful when planning our fishing trip to AK. Easy to read and great descriptions.

Comprehensive guide to planning a successful fishing trip to Alaska as inexpensively as possible.
