Avis A. Townsend : Albion (NY) (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Albion (NY) (Images of America):

Albion highlights a historic community in the Lake Ontairo region of western New York State. With vintage photographs and fascinating detail, the book records Courthouse Square, early salt roads and quarries, splendid

cobblestone houses, the Erie Canal passing through town, famous resident George Pullman, Richs Corners, two correctional facilities, and the outstanding garden-style Mount Albion Cemetery.
