From Brand: Axios Press : Alexander Skutch: An Appreciation before purchasing it in order to gage whether or not it would be worth my time, and all praised Alexander Skutch: An Appreciation:

In addition to being one of the most prolific nature writers of our time and the world's greatest expert on Central American birds, Alexander Skutch was an inspiring moral philosopher and original thinker in the tradition of Henry

David Thoreau and John Muir. Alexander Skutch: Selected Writings of an American Naturalist include selections from Skutch's writing spanning his 70 years of contributions to ornithology, travel, nature and philosophy.

About the Author Hunter Lewis, co-founder of global investment firm Cambridge Associates, has written nine books on economics and moral philosophy. He has served on boards and committees of fifteen leading not-for-profit organizations, including environmental, teaching, research, and cultural organizations.
