Ana Suffredini, Peter Kellersman : All-Audio German, Basic-Intermediate (Living Language Series; Book and 6 Cassettes) before purchasing it in order to gauge whether or not it would be worth my time, and all praised All-

Audio German, Basic-Intermediate (Living Language Series; Book and 6 Cassettes):

0 of 0 people found the following review helpful. Das ist super gut!By Ricardo Fernandez MartinezWenn du auf Deutsch lernen, das ist ein gutes Buch mit ihrem Kasseten. Die Lektionen sind sehr interessant weil du eine gute Konversation mit ihre Freunde auf Deutsch haben.4 of 4 people found the following review helpful. Great concept, but a little disorganizedBy Ned MooreIf you have a commute like mine, this series is a godsend. With enough repetition, I was able to pick apart the sentences, though some were quite fast. I learned alot, but I agree that having some sort of companion book for 5-10 minutes of grammer review per day was critical. That being said, a bit more care in production would have produced a far superior product. For example, there is at least one case (lesson 4) where a word in the written dialogue was spoken during the initial reading of a dialogue, but not the second time through. In addition, the series has an annoying habit of using words without introducing them. Words such as 'diesen' (this) and 'heute' (today) were used repeatedly in early lessons before being properly introduced in a later lesson. Similar complaints can be lodged against the written 'bonus' lessons on the web. Plurals, for example, are part of the material for lesson one, but are not explained until lesson 6. Consider yourself warned. I find that as long as I'm aware that they do these things, they don't bother me so much. The final verdict is still positive, as most other language lessons require much more reading, which I don't have time for.17 of 17 people found the following review helpful. Excellent Supplement, entertaining variedBy A Customer"All-Audio German" is very good at what it does. I found it to be an excellent suplement to my other German book/tape course. (I think it would be difficult to learn grammer with out a text book). The lessons are entertaining and varied, and a great way to make use of driving time. Be advised that the lessons progress at a rapid pace. It will help to have a pause and rewind button to enable reviewing vocabulary, provide extra time to answer quiz questions, and reviewing those occasional fast spoken German lines.

The most complete, up-to-date all-audio course available! Learn in Your Car Learn Anywhere No Reading Required Six Cassettes - Six HoursLearn in Your Car - Learn AnywhereIf you have trouble finding time to fit in language lessons, All-Audio German is the perfect solution. Developed by the experts at Living Language, this program is designed for people on the move. You can learn German as you drive, do household chores, or work out at the gym. Short, Easy-to-Follow Lessons - No Reading RequiredAn English-speaking narrator guides you through the short, easy-to-follow lessons - all you have to do is listen and repeat after the native German speakers. No reading is required, but a listener's guide is provided if you want to look up spelling or grammar rules. Vocabulary - Grammar - Dialogues - Culture Each lesson begins with vocabulary and some grammar basics before introducing a lively dialogue that includes the most current German idioms and usage. Interactive exercises reinforce what you've learned. You'll also find out some intriguing facts about German customs and culture. All-Audio German is a complete, thoroughly enjoyable learning experience!Speak German fluently with the most complete, up-to-date all-audio course available!
