Packed with great adventures for kidsBy Jill VWe recently moved to the SF Bay Area and we were looking for inexpensive family friendly activities. The book filled with fun activities. I like the price ratings accommodations, restaurants, and attractions. The book also has a great attractions key so you see in a glance if there is a playground, biking, swimming, etc.5 of 5 people found the following review helpful. GREAT book.By Melanie SerraoDecided to purchase this book after finding it at my public library. So many great places to go and it offers a variety of activities for all ages. We actually don't have children of our own and still found many places we'd like to visit. We live in Northern CA and take a lot of day trips and there were tons of things in here we'd never heard of, so we're excited!

Geared towards parents with children between the ages of two and twelve, Fun with the Family Northern California features interesting facts and sidebars as well as practical tips about traveling with your little ones.
